ENGAGEMENT AS A TOOL TO DRIVE SAFETY IN THE WORK PLACE

***Change the way your workforce views Safety and safe work practices
by engaging and rewarding them for positive behaviour changes.***

Why implement a WOW Safety programme?

- Make Safety simple, meaningful and a daily focus
- Reduce LTI's
- Encourage Near Miss reporting
- Boost Unsafe Acts reporting
- Inspire Safety Suggestion submissions
- Drive compliance from Safety Reps
- Increase Accident Free Days
- Drive knowledge transfer with interactive pop quizzes

Our Approach

Whether your goal is to increase productivity, reduce wastage or just focus your workforce on Safety, we have you covered.

We design tailor-made engagement programmes to excite, engage with, and reward your workforce; driving short-term focus and motivating them to perform at their best.

Rewards

Offer them choice – engage them more.

Cash - directly into their bank account or onto a re-loadable MasterCard, **OR**

WOW Anything Goes - literally anything – if they can see it and they have earned enough, they can have it.

Why WOW?

- Custom designed solutions driving increased engagement and product knowledge transfer
- Industry experts in focusing workforce behaviour on short-term targets
- Value-driven, flexible and creative in design
